

## GUIDE TO COMPLETING THE LICENSED BUILDING PRACTITIONER (LBP) CERTIFICATE OF DESIGN WORK FORM

A LBP Certificate of Design Work form is used to outline what Restricted Building Work design work was carried out or supervised on a project, and who carried it out or supervised it.

### How to Apply

An application form is available from the Council's offices or website. To help you complete your application, these guidance notes are available on the Council's website.

Once you have completed your application you may:

- post your application form and supporting documents to the Council;
- deliver your application form and supporting documents to the Council in person; or
- email your application form and supporting documents to the Council's Building Consent team.

### Notes to completing the form

This form can be completed by hand or electronically.

If completing the writeable pdf:

- fill out the form, including signatures and save the application to your computer.
- Email the application form to the Council, or print off and post or deliver it to the Council.

If completing by hand:

- please use black ink throughout and write clearly in BLOCK CAPITALS only.
- to correct a mistake on the form put a line through it and write the correction clearly to the right. If there is no space on the right, write the correction as close as possible.

The following guidance notes provide information covering every section of the form. In addition, the form itself includes prompts to help you fill out each section.

Please make sure that all plans are provided in landscape format and are either A1, A2, A3 or A4 in size. They must be shown in black on white paper; and must be to the correct scale.

An incomplete application or lack of supporting information will mean that your application cannot be accepted for processing.

**Help and advice:** if you have any questions or just need advice, please call the Council for assistance.

## Contents of the application form

The LBP Certificate of Design Work form contains five sections. These are briefly described below:

- 1 – Where is the building?** This section requests the address of the building being worked on.
- 2 – Who owns the building?** This section requests information about the owner of the building.
- 3 – What work have you carried out / supervised?** This section requires you to outline what Restricted Building Work design work you have either carried out or supervised on the build; and to outline the details of any waivers or modifications to the Building Code which were required.
- 4 – What are your details?** This section requests your registration and contact information.
- 5 – Declaration** Your application will not be valid if you have not signed the form.

## Advice on filling out the form

Additional detail on completing each section of the form is shown in the following pages.

### 1 – Where is the building?
